RECORD OF EVENTS.

This Regiment is a working
Regiment composed almost exclu-
sively of Mechanics and details are
daily made from each company
out on guard, as working parties.
The Regiment is provided with
every kind of tools and materials
and can do any mechanical or
other work whatever. No report
was made for September & October
as no orders had been received
nor blanks furnished. They will
be promptly forwarded hereafter.
On the 1. day of October the Regiment
had just completed a Rail Road

Bridge across the Laramie River
joining the Pacific Rail Road to
Burlington they then planked the floor
and made approaches for teams
and a military road from the
County Road occupying from 50
to 60 men about two weeks.
They constructed at that point good
earth works for 500 men and had
commenced and got well under
way earthworks capable of containing
1000 men and built a permanent
Hospital and Bakery and had got
most of the material for bullet
proof building, for 1000 men.
A detachment of two Companies was
at Jefferson City 10 days, building
extra track and extra warehouses for
facilitating military operations.
21 men were at Dillon on the same
river. 20 men are now at
Burlington making stables and
corrals for Public Horses; Working
parties are now engaged every
day making a road between
Burlington and Warsaw, for
transportation of military stores.
This work includes a Bridge and
trestle nearly 700 feet long to
procure the timber for which they
have prepared and put in operation
a disused saw mill near
the route. From 20 to 30 men
are daily employed repairing
broken Army Supply Waggon
